

MORE THAN _____
EXPECTED

 **made in Poland**

Who is **Lanyard.PRO**

For almost **20** years we have been gathering experience and knowledge to be a confident market leader. We have spacious offices, production halls full of equipment, people that are ready to work, heads full of ideas, and many satisfied and loyal customers.

Join us and see that we will never leave you unanswered. We are always looking for good solutions. We create completely new and unique products to meet your needs and expectations. The ranks of our company are joined by people who think outside the box, ready to help you at every stage of the contract. If we ever make a mistake, we always take responsibility, learn from it and become even stronger and better!
